At Huddlbox, we're always looking for ways to stay ahead of the curve in audio-visual technology. That's why we're excited to announce the latest upgrade options for the HUDDLBOX.

RECHARGEABLE BATTERY

For greater mobility and convenience, we've added a high-capacity lithium battery that provides cordless power for up to 4 hours. **\$1000**

TOUCHSCREEN MONITOR

We've introduced touchscreen monitor options for those who want a more interactive and hands-on experience with the Huddlbox. **\$2,000 - \$2,250**

WIRELESS MICROPHONE

Introducing our new headworn wireless microphone, designed for hands-free convenience and crystal-clear audio for coaching on the go. **\$500**

These updates are just the beginning of our commitment to keeping the HUDDLBOX on the cutting edge of technology for our customers. See inside for more details.
